IMPORTANT: Team entries require a team registration, roster and waiver form. All players must be a minimum of 19 years of age by the first match. This team roster and waiver must be handed in at registration (September 16, 2009). If a team fails to provide both a completed roster and waiver form they will not be allowed to play. Any games missed until these forms have been submitted will be forfeited. Due to insurance regulations, only registered players are allowed to play in the HHMVL and no spectators under the age of 19 years will be allowed in schools or gymnasiums.

TEAMS WITH FEWER THAN 8 PLAYERS:

Teams entered with fewer than 8 players will have the roster filled to a minimum of 8 (possibly more). Players are added by using the following criteria: first paid, male to female ratio, number of individuals with similar experience. We try our best to add teammates of a similar skill level when possible based on information provided on registration forms. However, the calibre of team members added cannot be guaranteed.
